FIREPROOF YOUR RELATIONSHIP

Relationships are wonderful gifts given to us by God. As we read in the Bible, the most intimate relationship is marriage between a husband and a wife. Unfortunately, relationships today are under more cultural and interpersonal pressure and stress than ever before in our history.

But it doesn't have to be that way. Together, we *can* make a long-term difference for healthy relationships and marriages ... starting with *yours!* What can you do to make a difference?
